

**Customer Delivery Agent**  
**Enfield**

This is a great opportunity to join one of the UK's leading vehicle rental specialists as a Customer Delivery Agent in our busy site in Enfield.

As Customer Delivery Agent, you are often the face of Northgate for our customers and play an integral role in enabling us to consistently provide the first-class experience they demand. You will spend your day either as part of the driving team, out on the road, working face-to-face with customer or helping with general administrative duties and customer service support.

Whatever you are asked to do, it's the little things that will make a difference; the branch offers support to surrounding branches, as it is located just off the A10; having a friendly and helpful approach in resolving enquiries and complaints to having a great eye for detail when checking vehicles for damage or updating a customer file. You can be certain you'll never be looking for something to do!

We expect you to treat our fleet vehicles as you would your own and your eye for detail plays a vital part in the capture of on and off hire condition, helping reduce the financial risk to the business too.

Part of the role is to valet all vehicles, ensuring they are clean and ready to go back on hire. As you can appreciate, some of these are rather dirty. We have a range of equipment and chemicals to assist with this.

**About you**

- You come from a fast-paced, customer-focused background – the industry is not important but where you excel is in quickly understanding what matters to your customers.
- You are a people person – you put yourself in your customer's shoes and communicate well with them in sometimes-difficult situations. As a Customer Delivery Agent, if you cannot help, you know who can.
- You are a confident, courteous driver with good knowledge of the local area – ideally, you have some previous driving experience in your career, especially if you regularly used 'Transit' sized (or larger) vehicles or are IAM / emergency services trained.
- You get involved in every part of our business – you take pride being part of the Northgate team and are keen to help colleagues with a hands-on, can-do approach to getting things done.
- You are enthusiastic about our business – as Customer Delivery Agent expect you to make a great first impression and deliver an exceptional experience every time.

**As Customer Delivery Agent, we offer:**

- A full-time permanent role, with a great salary.
- Additional employee benefits (including employee assistance, life assurance, pension, retailer discounts etc.)
- A proven induction-training plan to help you get to grips with how we do things, with help from experienced colleagues and on-going support from your manager.
- The opportunity to work with a broad range of businesses and world-renowned automotive brands including Ford, Mercedes and Vauxhall.

**Be part of the future of vehicle rental**

If you would love to join our amazing team in Enfield as a Customer Delivery Agent, we encourage you to find out more. Apply today via our website or email your CV to [apply@northgate.careers.com](mailto:apply@northgate.careers.com)
