

**Motor Vehicle Technician**  
**Huntingdon**

This is an exciting opportunity for an experienced Motor Vehicle Technician to join one of the UK's leading vehicle rental specialists in our busy, growing site in Huntingdon

Your role, as Motor Vehicle Technician, is about supporting our customers to deliver on their business promises. Your aim; ensuring we get their vehicle back on the road safely and in quick time.

The workshop in Huntingdon is home to a fleet of over 960 light commercial vehicles. With an ever-changing workload, our modern workshop is equipped with the latest technology and manufacturer-specific diagnostic tools - it is an exciting place to be.

Key to your success is your ability to produce work that complies with the highest technical and quality standards and, above all, helps us deliver on our service commitment to customers. We will provide training, both in house via our technical training business partners, and through the various manufacturers we work with, this will include electric vehicle diagnostic and repair. We want to work with you to build a long and successful career with Northgate.

**About you**

- You are a qualified Motor Vehicle Technician with a solid workshop background – whether the job at hand is routine servicing and maintenance or more complex diagnostics, you will know just how to solve it.
- You come from a fast-paced background – you know how to work in a standard job time structure with a focus on producing compliant, high-quality work where a zero-tolerance safety culture is a priority.
- You enjoy a broad mix of work - with servicing, general maintenance, warranty work and recalls across a broad range of vehicles in our fleet, you can be sure every day will present you with a new challenge.
- You get involved in every part of our business – you take pride being part of the Northgate team and are keen to help colleagues with a hands-on, can-do approach to getting things done.
- You take pride in providing a great customer experience each day - you understand what is important to your customers and suppliers.

**As Motor Vehicle Technician, we offer:**

- A competitive starting salary with quarterly bonus scheme.
- Additional employee benefits (including employee assistance, life assurance, pension, retailer discounts etc.)
- A clear career pathway and our commitment to supporting your professional development through in-house and industry-recognised training.
- The opportunity to work with and service world-renowned automotive brands including Ford, Mercedes and Vauxhall.

**Be part of the future of vehicle rental**
